

IMS POLICY - (Quality, Environment, Health & Safety)

We, at Siddhomal Paper Conversion Co. Pvt. Ltd., are committed to continually improve our quality, environment and health & safety performance in manufacturing of flexible packaging materials and strive for:

- Customer Satisfaction by effective use of man, machine and materials, maintaining high level of goodwill, enhancing our product quality and giving our customers on time delivery.
- Environmental Protection by minimization of wastes, conservation of resources and energy.
- Safe Work Environment by risk minimization, preventing injuries and ill health, improving work conditions and by ensuring use of personal protective equipments.

We shall achieve these by establishing objectives at relevant levels, complying to all applicable legal and other requirements and by inculcating a culture of teamwork in our organization.
